Future Leader scholarships were established in 2005 to assist students of high academic calibre and leadership potential. Sports scholarships were even earlier, starting in 1999, helping sports people to hone and grow their skills and abilities in their chosen code, as well as achieve academically.

Numerous scholars have emerged from their studies equipped to make their mark on the world.

Both Future Leader and Sports Scholarships were the first of their type, and blazed a path to recognising that a scholarship is more than financial help to cover costs. It is about using the resources we have at Lincoln, as well as following our mission to help expand your world. This doesn't just apply to the lecture room, but also to the sports field, in the community and around campus.

There may be imitators of the programmes but you can't beat the originals.

A Lincoln University scholarship gives you the opportunity to study at New Zealand's specialist land-based university while having some, or all of your university costs paid for.

Scholarships can be awarded on criteria such as:

- academic grades
- personal qualities
- financial need
- where you live
- your course of study.

The closing date for scholarships varies. Keep an eye on our website for those closing soon. It is well worth spending time exploring the scholarship options available at Lincoln University as there are a large number to choose from, whether you are an undergraduate or postgraduate student.

➔ Please note:

Our scholarships webpage will provide you with the most up-to-date information.

Some scholarships are administered by other entities, independent of the university. These are also visible on our scholarships webpage.

If you would like advice or assistance about scholarships in general, please contact the Scholarships Office at scholarships@lincoln.ac.nz or 0800 10 60 10 (within New Zealand).

It is a scholarship that I feel honoured to have because it is relatively new and is only available to a select number of students.

Pasifika Excellence Scholarship

The Pasifika Excellence scholarship supports Pasifika students who are entering their first year of undergraduate study and show strong leadership and engagement in their community.

As recipients of this prestigious scholarship, scholars are provided with targeted support and mentoring throughout their study. Along with this, they are expected to be actively engaged in LUPISA (Lincoln University Pacific Island Student Association), and to be part of events and activities on campus.
