International Summer · Winter Program

Experience at KONKUK

International Summer/Winter Programs are two-to-six-week programs that provide opportunities to learn about Korea and experience its culture. During their vacation, students can take both academic and language courses and participate in various cultural programs and extracurricular activities to gain a deeper understanding of the past and present of Korea.

Eligibility and Application

- Students enrolled at an accredited college or university
- Able to take courses in English and/or Korean
- Students from partner universities should consult with their home university's international office for discount eligibility (15% reduction on session fees)
- For more information, please visit
