

INTERN ABROAD

Stand out in the competitive
labour market with
international work experience
on your resume.

We're here to help you supplement your academic achievements with an internship with leading Malaysian employers. You'll receive support with the application process, interviews and internship placements, as well as career coaching.

Our internship program provides you with an opportunity to:

- gain relevant work experience and training
- immerse yourself in Malaysian work culture
- earn academic credit and fulfil your academic goals
- expand your global network.

GET READY TO START YOUR ADVENTURE

- 1. Connect with us** Get advice on how to make the most of your internship.
- 2. Plan your finances** Be sure to plan ahead so that your experience is as affordable as possible.
- 3. Check the deadlines** Don't miss the closing deadline for the job you want.
- 4. Apply!** Prepare your CV and relevant documents for your application.

How do I start?

You can apply for this internship when you put in your application for a semester with us. We'll reach out to suitable employers for you.

How long is the internship?

The internship is usually between eight to twelve weeks.

Will I get paid during the internship?

You may get a paid or unpaid internship. Some companies may pay an allowance but this allowance may not cover your commuting and living expenses.

Do I need a special visa or work permit for the internship?

If the internship falls within the duration of your student visa, you may not need any additional visa or permit.

When does the internship start?

We arrange for internships that typically start between the first week of December and last week of February. You can only begin your internship after completing a semester of study with us.

Can I come to Malaysia just for the internship?

You must complete studying a semester with us before you start on your internship.

Scholarships available for 2020

On-campus accommodation scholarship for 2 months if your internship period falls between December 2020 to February 2021.*
