## University and Professional Studies (UPS)

UC San Diego main campus courses are listed online on the Schedule of Classes. For a list of all of UC San Diego Extension course offerings please see the various areas of study available on the UC San Diego Extension webpage.

Please be sure to include courses that are typically offered in the quarter that you plan to enroll. For example, if you are applying for Winter 2022 quarter but you do not see Winter 2022 courses posted on the Schedule of Classes, then you should look at the courses which were offered in the Winter 2021 or 2020 quarter.

### UPS Track System

All UPS students have superior grades in their academic records. Based on your English language proficiency, there are 3 tracks for the UPS program. Please be sure that your course selection on the next page reflects your specific track requirements. The specifics of your UPS track are described here:

| Track 1 | Track 2 | Track 3 |

### EXTENSION INTERNATIONAL PROGRAMS

## University and Professional Studies (UPS)

**When selecting your courses:**

- You may NOT enroll in graduate-level Business courses at Rady School of Management.
- For each quarter you are applying, you must submit this form with your application. Otherwise, your application is incomplete.
- Lower-division courses are numbered 1–99. Upper-division courses are numbered 100-199. Graduate courses are numbered 200+.
- Courses are on a space-available basis. The purpose of identifying 12-15 possible courses is to ensure a satisfying academic experience at UC San Diego. There is no guarantee that you will get all of your preferred courses.
